## Work experience

---

### EQUAL AFRICA

1 July 2015 — 20 November 2018

#### VOLUNTEER LEADER

**Equal Africa** is a non-governmental, charitable organization which does philanthropic activities all over Kenya and East Africa. Working there, I led a team of volunteers in co-ordinating various events all over Kenya. One example is the "**Light's Fest**" whereby we conducted a charity concert to gather funds for the less fortunate in the society.

While working at Equal Africa, I gained relevant experience in working with a team of individuals who were very cooperative and taught me a lot of what it means to work with people. I was the volunteer leader of the group and some of the activities we did was to carry out and planned a concert called "Lights Fest" which was to raise funds for the needy and the less fortunate in the society. Other activities we did was to visit the homes of Children and the Elderly assisting them with daily essentials.

### UNIVERSITY OF PETROLEUM AND ENERGY STUDIES(UPES).

August 2019 — December 2019

#### INTERN

I have been working in UPES, (Dehradun), India, as a student intern on a summer semester training program they usually conduct every year. Our main focus was to carry out research on the Petroleum Engineering field, such as Offshore Drilling and Reservoir Modelling aspects of the field amongst a variety of other aspects.

## Qualifications

---

### 1.Member of ISIC.

ISIC is an International Students Association which offers travel and discount opportunities for members worldwide. The **ISIC Card** is accepted Globally as a student identity **card**. You can **use** the **card** to access services and facilities for students around the world.

### 2.Head of Publicity

I was appointed Head of Publicity in the school of Engineering for the department of Petroleum Engineering at The University of Nairobi.

### 3.Volunteer Leader

I was head of the Volunteers batch at an NGO, Equal Africa, Kenya branch.

# Interests

---

1. Soccer
2. Community Service
3. Gym Activities

8. Computing

# Education

---

## PETROLEUM ENGINEERING

Aug 2019 — Dec 2019

UPES(University of Petroleum and Energy Studies)

I was working at UPES, (Dehradun) India, as a student intern for the department of Petroleum for the institution. The work entailed doing research on Offshore Drilling, Reservoir Modelling and Simulation, Pipeline Transportation of Oil and Gas and natural Gas Engineering.

## PETROLEUM ENGINEERING

Sep 2015 — Aug 2020

The University of Nairobi

I'm studying at The University of Nairobi, doing my Petroleum Engineering course at the University at Nairobi Kenya.

## KCSE (Kenya Certificate of Secondary Education)

Jan 2011 — Nov 2014

Lukenya Highschool

I did my KSCE(Kenya Certificate of Secondary Education) certificate at Lukenya school, where I passed with flying colours, with an A- on my certificate.

I managed to complete were French, Mathematics, English, Kiswahili, Geography, Physics and Chemistry as my main subjects.

## KCPE (Kenya Certificate of Primary Education)

Jan 2002 — Nov 2010

Compuera Academy

I completed my KCPE (Kenya Certificate of Primary Education) certificate from Compuera Academy, located in Nairobi, Kenya. The main subjects completed were Math, English, Kiswahili, Social Studeis and Science.

## DIGITAL MARKETING

Jan 2020 — May 2020

GOOGLE

I completed a digital marketing certification, thereby now being a certified Digital Marketer. I can work with tools such as, SEO, SEM and Social Media Marketing .

I also have proficiency in Video Editing using platforms such as Adobe Premiere Pro cc. It really aids me in creating captioning among other various methods of editing.
